**Sparta Bag-It Day**

**Where:** Our Lady of the Lake Church Parking Lot  
**When:** 9:00AM to 12:00 PM, Saturday March 28th, 2009

**12:00 PM Bar-B-Que at Station Park**

We have signed up once again for Sparta's Bag-it day. We will choose a road and pick up all of the dirt and debris that litter bugs have left on the side of the road. This program fits Scouting's aims and goals perfectly and is a great way to show the kids how they can actually help their community and the environment. It counts toward Wildlife Conservation for Webelos as well as community service activities for Bears, Wolves, and Tigers.

- ALL attendees (parents, scouts, and siblings) will get a free pair of work gloves and a free tee-shirt. Bags will also be provided;
- All SCOUTS will receive a community service patch;
- We should be doing Andover Road (Rte 517) which is the road next to the church (in front of Pope John) however we will not know the exact roads until the morning of the event;
- Workers are instructed to not pick up anything overtly dangerous (syringes, etc). We will tell the kids to avoid broken glass and rusty, sharp steel pieces;
- Police will be regularly patrolling from 9 -12:00.

**ALL SCOUTS AND PARENTS ARE ENCOURAGED TO SUPPORT THIS EVENT!**

IT IS VERY IMPORTANT THAT WE HAVE AT LEAST 48 PEOPLE (of all ages). We need 48 people to show up in order to qualify for payment from the city. You do not have to go from 9:00to 12:00 (you can leave early if necessary).
